Might Not Be Alive.

McMinnville, Tenn.—Mrs. Ocie Jett, of this place, writes: "I don't believe I would be living to-day, if it hadn't been for Cardui. I lay in bed 27 days, and the doctor came every day, but he did me no good. Finally he advised an operation, but I would not consent, and instead took Cardui. Now I am going about the house, doing my work, and even do my washing. Cardui worked wonders in my case. I am in better health than for years." Cardui is a strengthening tonic for women. It relieves pain, tones up the nerves, builds strength. Try it. At your druggist. Advertisement.
